

## **JOB POSTING**

### **POSITION: CHIEF DISPATCHER**

*Posted January 26, 2019*

*Do you think Canadian airlines can do better? So do we. Come help us revolutionize the entire industry at Jetlines. We are the country's first, true, ultra-low-cost carrier.*

*Here, your job will make an impact. You will help millions of Canadians obtain access to dramatically discounted airfares. And, as part of a fast-growing company, you'll get plenty of opportunities to make your mark and make a real difference.*

Reporting to the Vice President Flight Operations, the Chief Dispatcher will be involved in final certification and lead the Company into future growth. Excellent leadership, management and communication skills are required for success in this role.

This position requires generic training as in the CASS 725.124 (21) (a) therefore the following qualifications are mandatory.

#### **PRIMARY QUALIFICATIONS:**

- Have completed the generic exams within the previous 24 months
- Have at least 2 years' experience in a Type A dispatch
- Hold a valid Radio Telephone Operators Restricted Certificate
- Satisfy Transport Canada or Check Dispatcher of competence for the position
- A valid passport with required visas with right to work in Canada if required

#### **QUALIFICATIONS:**

- Previous Dispatcher, training and checking experience
- Recent relevant dispatch experience of turbojet aircraft preferably with Airbus
- An understanding and dedication to implementing a Safety Management System to meet and exceed regulatory requirements
- Excellent understanding of Canadian Aviation Regulations (CARS)
- Advanced understanding of manual and training program creation, implementation and maintenance
- Able to make hiring decisions for multiple positions
- Ability to work with multiple departments to ensure manuals developed are linked and meet regulatory requirements
- Duties as in Operations Manual and as assigned by the Company
- Decision making on a frequent basis and making recommendation to Senior Management for continuous improvement
- Ability to obtain and retain a Restricted Area Identity Card in accordance with the Airport Restricted Area Access Clearance Program regulated by Transport Canada.
